INTROS ... welcome new faces/voices

(1) SSC LEADERSHIP TEAM

- a) **New Co-secretary:** Penny Palmer, already serving as Intervention Team Chair, has agreed to serve as Co-secretary as well. Thank you, Penny.

(2) ANNOUNCING AWARD – Beth

The Safe Schools Coalition is proud to present the first ever **Claudette Colvin Social Justice Award** this 18th of February, in the year Twenty-Ten, to **The Associated Student Body of First Creek Middle School**, Tacoma, Washington for it's student-led assembly and school-wide teaching efforts in celebration of Martin Luther King, Jr. Day and in recognition that teens working together can make the world more just.

The First Creek ASB's PowerPoint and lesson plans will be shared with the Safe Schools Coalition's listserv next fall, as a challenge to other ASB's to adapt it for use in their own schools and/or create other student-led, adult supported efforts to address prejudice and discrimination and to enhance social justice.

HELP NEEDED: If anyone knows of other student groups deserving recognition for developing social justice programs in the schools, please let us know. If you would like to serve on an award committee to decide who deserves the next Claudette Colvin Social Justice Award, please let us know (<mailto:beth@safeschoolscoalition.org>)

(3) NOTRE DAME'S STUDENT NEWSPAPER CARTOON – Frank

Last month we discussed a violently homophobic cartoon in the Notre Dame University student paper, *The Observer*. Frank agreed, then, to send a letter of protest on behalf of the Coalition. By the time we were ready to do that, a huge uproar, including among the University's own student body, had led to the firing of an editor, an apology from the paper and other follow-up on their part. So instead of a letter of protest, Frank sent a letter of appreciation for the paper's responsiveness and an encouragement to take additional steps:

(4) SEATTLE CITY PARKS PROPOSED RULES – Beth

Last month we agreed that Safe Schools Coalition would protest proposed park rules that would have criminalized using the "wrong" bathroom for your gender; the proposed law was really only targeting butch lesbians and transgender individuals as any assaults in bathrooms are already illegal.. We spread the word quickly to Equal Rights Washington and, especially to the trans community and trans allies. The community expressed outrage. That part of the proposed rule was withdrawn. Thank you in particular to Councilmembers Tom Rasmussen & Sally Clark.

(5) LAW & POLICY WORK GROUP REPORT – Beth for Jennifer and Lonnie

- a) Representative Lias' **anti-harassment bill** (HB2801-S)
<http://apps.leg.wa.gov/documents/billdocs/2009-10/Pdf/Digests/House/2801-S.DIG.pdf>
passed the full House of Representatives unanimously on Thursday. This bill requires

- *PFLAG Skagit Valley*
- *Public Health – Seattle & King County*
- *Washington Association of School Social Workers*

c) If your organization is NOT on the list above, unless a check was sent after 2/7/09, please renew for 2010 right away. Go to http://www.safeschoolscoalition.org/members_join-renew.html

(9) INTERVENTION TEAM REPORT – Penny

- a) Attorneys Jan G. Zager and Sarah Houghland (Sarah is fluent in both English and American Sign Language) have volunteered to serve as resource people to the intervention team and to the Coalition in general re: other legal questions as they arise. Thank you both.
- b) We received 16 calls to the intervention hotline (~~1-866-SAFE-SAFE~~) in January, which is staffed by King County Sexual Assault Resource Center. Of those, 4 were referred to Intervention Specialists:
 - **A 7 yr. old girl was being assaulted and harassed by an 8 yr. old boy in a local elementary school.** The mother speaks predominately Spanish so our Spanish speaking Intervention specialist, Jacque Larrainzar, worked with her and will assist with getting help in the district including an interpreter. KSARC was very helpful in making sure this call got to the SSC.
 - **A woman called for help for her nephew who is a 17 yr old HS student who has just come out to her.** He has only told 2 people and lives in a very conservative area in Kansas. The immediate family is very religious. She was looking for resources he could access. Our website, specifically the “youth” area was recommended. She was encouraged to call back or have him email or call back. [We encouraged Penny to make sure the student also knows about Youth Guardian Services’ “Youth” Email Listservs](#) and about QueerYouthSpace on Facebook and MySpace.
 - **A college age student who had been sexually molested by her coach asked for help starting a group to help other students in this situation.** We provided resources and encouraged her to get back with the Intervention team for more help.
 - **An Asian-American elementary student with a disability is being bullied and assaulted by three other 5th graders.** The mother has removed her child from school and needed help developing a plan to get him back. We are working on the plan and will attend a meeting with the mother, principal, dist. admin, teacher, etc. to implement the plan ASAP.
